Re: Golden Rainbow Senior Center

To whom it may concern:

I would like to offer this letter of support on behalf of both Mr. Harvey Stern, Director and of the Golden Rainbow Senior Center.

I recently had the privilege of touring this wonderful facility and was thoroughly impressed. Not only do they offer a warm, clean, safe and nurturing environment, but in addition, the counseling services, the food bank, computer & exercise classes and such are a much needed service to this community.

If you should have any questions, I would be happy to sing their praises in person to you.

Kindest of regards,
