Palm Springs, Ca 92262

Dear Harvey Stern;

Please accept our grateful appreciation for having members of your organization help us with our community concert. Not only did they do a great job of getting our audience to their seats, but their presence added a wonderful sense of community to our performances. We really enjoyed working with them and hope we can make the Golden Rainbow Senior Center a regular part of our community participation.

Yours Truly,

Charles Mercer
President Caballeros The Gay Men's Chorus of Palm Springs
